ABOUT the BOOK:

No more **boring and difficult** to remember handwashing methods!

Bubble your way into clean hands with the new children's book 'Circles + Scissors Handwashing' by Jenny M. Iverstine.

Each page **educates and entertains** with uniquely crafted **illustrations and cue language** that tiny readers will love. Circles + Scissors turns this **mundane life skill** into a **joyful childhood memory** as you teach your child this 5-step method.

Scrub hands with soap using all 5 steps! Repeat steps under running water.

*Waterproof mirror decal included with **book bundle**; it's the perfect reminder while washing at the sink!*

SINCE 2017:

Circles + Scissors has bubbled over into **32 states across the US and 5 countries!**

The fun and effective method of handwashing for children is being taught in schools, doctor and dental offices, homes and hospitals **around the world!**

Jenny's goal is ONE MILLION pairs of clean hands!!

The STORY:

Meet the cutest 5-year-old and her **playful poodle** who are preparing for a best friend's **birthday party**. If they want to go, they must **stay healthy!**

The story **teaches** proper handwashing and **offers** motivation for kids to wash their hands: so they don't **miss out on the fun!**

The 5 steps of Circles + Scissors are presented in such a **simple way** that even the youngest readers **can follow** along.
