

## **Finger Food Fridays For BRCVPA's Wonderful Teachers and Staff**

Dear BRCVPA Parents,

With all the changes at BRCVPA this school year, somehow our wonderful tradition of bringing snacks for teachers and staff once a month by grade level got lost in the shuffle. Now we are going to make it up to them by squeezing all those special days into one semester!

Each grade level has been assigned a Friday to bring finger foods to school for our teachers and staff to enjoy. In addition to bringing these treats, we would also like parents to volunteer to supervise classes in the cafeteria on these days so our teachers can have a nice lunch break without children. SO...

1. Find your child's grade level assigned day below.
2. Prepare or pick up some tasty finger foods (great suggestions: can drinks, fruit and veggie trays, hors d'oeuvres like drumettes, meatballs, pigs in a blanket, individual sweet treats like cookies or cupcakes, individual packages of snacks like chips or granola bars, sandwich trays, or anything else delicious). PLEASE only send DISPOSABLE serving dishes! There will be no dishwashing crew and there is nowhere to store so much stuff.
3. Sign up to help with your child's class during lunch if possible.
4. Drop your goodies off during carpool or bring it to the school office at your convenience on your assigned day.
5. Enjoy having made the wonderful BRCVPA staff happy!
