

April 8, 2019

Dear Parents/Guardians,

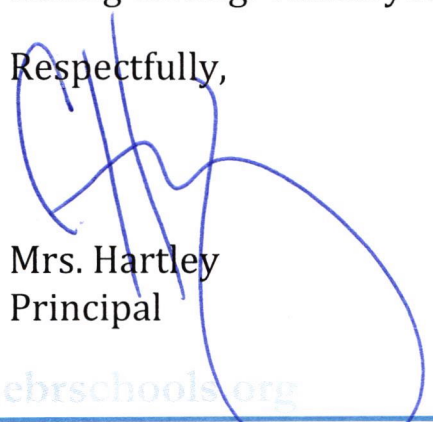

Spring 2019 LEAP tests will be administered to all 3rd, 4th, and 5th grade students in just three short weeks. Testing will begin the day we return from spring break, Monday, April 29th and continue through Friday, May 3rd.

By working together, we can make your child's testing week positive and successful. Here are some important reminders as you prepare your child for the test each day.

- ❖ Make sure your child gets a good night's sleep so that he or she will be well-rested each morning.
- ❖ Encourage your child to eat a healthy breakfast at home or at school.
- ❖ Make sure your child arrives to school on time each day. Tardy students will not be admitted to class once testing begins.
- ❖ Make sure your child leaves cell phones, smart watches and other electronic devices at home. Having these items during testing will result in disciplinary action and a voided test.
- ❖ Encourage your child to do his/her best each morning.

Also, please remember that parents will not be allowed on the school campus during testing. Thank you for your continued support.

Respectfully,

Mrs. Hartley
Principal
