

Show your BRCVPA spirit with our new car/fridge magnet!

Our school refrigerator stopped working and our teachers have no place to put their lunch. Please help us raise funds to purchase a new one by purchasing some BRCVPA merchandise or by making a donation! With a donation of \$5.00 you will receive a BRCVPA magnet that you can display on your car or at home on your fridge!

The magnets are round (5" in diameter) and printed in UV-resistant inks, making them suitable for outdoor use. If we raise more than the funds necessary to purchase a new refrigerator, the surplus will go to the PTO account, which is used to support our arts programs at BRCVPA.

Thank you for being a proud partner in your child's education!

Click [here](#) to download a BRCVPA merchandise order form! A paper copy of the order form will be sent home tomorrow, March 23rd, with your child.
