

Meet Your Art Teacher

Lara Gautreau Basics

Hey! My name is Lara Gautreau. I live in Baton Rouge with my husband, one daughter in high school, two dogs, and a cat. My oldest daughter just started college in New Orleans. I enjoy watching cop shows, reading spy thrillers, and "pinning" ideas for future art projects. This is my second year at BRCVPA. Before that I taught at the LSU MOA and the LASM.

Education

I graduated cum laude from Wichita State University in 1993 with a Bachelors of Art Education, certified K through 12. Since then, I have also completed coursework in educational technology, curriculum design, and differentiation.

Childhood

I grew up in Wichita, Kansas with three sisters (I'm the oldest). My dad taught middle school science and my mom had a home-based daycare. In high school, I was in "Talented Art," played volleyball (mostly from the bench), and went to a lot of football games.
