Hi! My name is Caroline Hader. I live in Baton Rouge with my husband Jeremy and our two children Ellie (16) and Ben (14). I enjoy traveling, spending time with friends and family, but I especially love going to Walt Disney World and anything Disney related! I am so excited to be your child’s Science and Social Studies teacher for the 2019-2020 school year. This will be my 15th year teaching and my 1st year at BRCVPA. I am looking forward to an amazing year :) “You must be the change you want to see in the world.” Mahatma Gandhi

I was born and raised in Shreveport, La. but have lived in south Louisiana for the past 20 years. I am the youngest of three children. I attended Southfield School for grades K-8, then I went to Captain Shreve High School where I graduated in 1994. Go Gators!

I attended both Louisiana Tech University and Louisiana State University at Shreveport. I graduated in May of 2000 with a Bachelors of Science degree in Elementary Education and I am a Louisiana Stated Certified teacher for grades 1-8. I am also a certified Level 1 Google classroom teacher.
